

XPERIENCE THE MALLORCAN SUMMER

MTB TOUR

MONDAY

MTB TOUR - Adventure, Beach & Picnic Mallorcaín PENINSULA OF ALCÚDIA & COLL BAIX

During this easy MTB-Tour we will discover some of the most beautiful spots of the Peninsula of Alcúdia. After following the coast by small ways directly along the sea, we reach by little roads on asphalt the natural area of Coll Baix. A sandy path through a sunny pine forest ends at the cliff, where we will leave the bikes. Hiking for around 45 min., on a narrow path down over the cliffs, we reach one of the most spectacular beaches of the Island, a gift for people fond of nature – Coll Baix. Stunning views, a true paradise – time to enjoy a typical majorcan picnic, before the way back brings us to the old town of Alcúdia for a last coffee before returning.
